It is very important that you take a moment to read through the following terms and conditions statement. – Updated April 2019

Key: - **OW** refers to One Way School of Motoring (Bridgnorth)

One Way School of Motoring (Bridgnorth): It is the obligation of **OW** to conduct the business of driving tuition. All tuition will be conducted by a fully qualified DVSA approved driving instructor who has cleared an enhanced DBS check. All tuition will be conducted to the highest professional standards in a tuition vehicle that is suitable for the purpose and which is fully maintained and fully insured.

The Instructor: will always endeavour to fulfil all bookings that are made and agreed with a student punctually. In exceptional circumstances whereby the instructor is behind schedule or the instructor is required to cancel a lesson, the instructor will always do their utmost to make contact and inform the student by call or text message at the earliest convenience. Students can be assured that in the event of the instructor being late of an appointment, then that time will be added on until the completion of the original lesson duration with no additional charge. In the event of a lesson cancellation an alternative appointment will be offered with no charge.

The Student (Learner driver): It is expected by **OW** that all students will attend driving lessons in a fit and proper state as determined by law and in possession of a valid UK provisional driver's license or valid international driver's license. It is expected that all students come with a positive attitude to learning and conduct themselves in both a polite and respectful manner. It is the responsibility of the student to make **OW** aware of any medical issues that may impair their ability to drive. It is the responsibility of a student to ensure any medication or aids are brought with them to lessons. (Glasses, Inhalers, hearing devices).

Booking a driving lesson: Lessons are booked and confirmed with **OW** by phone call, text message or by e-mail. Lessons are then arranged for a time and a place that is mutually suitable.

Make changes to a booking: Amendments to existing lesson appointments such as times and meeting points are permitted, however a minimum period of **24 hours** prior notice is required to implement any such changes. Failure to give such notice may result in a lesson being cancelled and an alternative arrangement offered and may result in a student being charged in full for the missed lesson time. Exceptions to this may be made at **OW's** discretion for genuinely unforeseen circumstances.

Cancellations: The cancellation of a lesson is permitted, and a minimum period of **48 hours** prior notice is needed to do so. An alternative appointment will be then offered. Failure to give such notice may result in a student being charged in full for the missed lesson time. Exceptions to this may be made at **OW's** discretion for genuinely unforeseen circumstances.

Pay as you go (PAYG) tariff: Lessons that are charged and paid for on a lesson by lesson basis. Lesson durations are typically 60, 90 or 120 minutes, with a minimum lesson time of 60 minutes. Payment must be made in full prior to the lesson commencing.

Pre-pay (en-bloc) tariff: Often referred to as block bookings. This tariff allows a block of hours (time) to be purchased in advance at a stated discounted rate. The sum payment must be made prior to lessons commencing. Blocks are then taken in 30-minute time segments with a minimum of a 60 minutes taken per lesson. It is important to note that upon purchasing a block of hours at a discounted rate, that a contract between the student and **OW** then exists. That is, for a specified number of hours at a discounted hourly rate. Early termination of this contract will result in all refunds being calculated as per the standard PAYG tariff rates. See refunds.

Offers & promotions: From time to time **OW** will make special offers available. Please note that any such offers may be subject to individual terms & conditions. **OW** reserves the right to withdraw any such offer or promotion at any time without any prior notice.

Driving tests: **OW** continually records and assesses a student's progress throughout their driver training and will advise when a student is satisfactory deemed 'test ready' and will advise on what steps to take in booking a test and pre-test preparation. Fee's for such test day are charged separately. **OW** will not be obliged to permit the use of the tuition vehicle for a driving test if a student is deemed otherwise.

Payments: All payments must be made in full to the correct amount prior to a lesson commencing. It is the responsibility of an individual student to ensure this is so. Please ensure that you advise **OW** prior to making any payment by BACS, ensuring that any such payments are clearly identifiable. Payments by Cheque are no longer accepted.

Deposits: On occasion, a deposit will be asked for prior to tuition. Deposits are fully refundable at the completion of a student's training or used as credit towards test day fees providing no late / improper cancellations are accrued.

Refunds: **OW** will not offer any monetary refunds for services and / or credit that are spent. A refund will be offered for outstanding credit on pre-pay (en-bloc) tariffs only. It is important to note that all refunds will be calculated as per the PAYG tariff rate and not using the contractual discounted rate.

Right to refuse: **OW** reserves the right to refuse driving tuition to all that are deemed unfit to drive. A decision to refuse driving tuition to someone deemed unfit is absolute. Unfit is deemed as stated by law and can include and is not limited to; a driver being under the influence of alcohol or drugs (illegal or prescribed), sleep deprivation, inappropriate attitude. Failure to be in a 'fit and proper state' will not be tolerated and will result in the scheduled lesson being terminated. The student will be charged in full for the missed lesson time.

Absence: Should a student has been absent from attending driving lessons for a prolonged unscheduled period and where no contact has been achieved, **OW** will assume that student no longer wishes to continue with driving tuition and as such will remove a student from the current student list. A prolonged period is defined as up to 4 weeks absent. All outstanding credit will be refunded upon request. See Refunds.
